

Product information | TECHNICAL DATA SHEET

AIR DUSTER

400 ml, 12.2 Oz, 346 g.

GENERAL DESCRIPTION

The MTN PRO Air Duster is a powerful blower spray that effectively removes loose dirt and dust from keyboards, printers and other electronic equipment. The product can clean large surfaces, and thanks to its special nozzle it can reach the hardest places. Proper cleaning increases the life cycle of objects, especially electronics.

Its formulation is ozone-friendly and CFC-free.

CHARACTERISTICS

- Flammable gas.
- Ideal for electronic equipment (not connected to the mains).
- Easy to apply.
- Extra-long cannula.

APPLICATION

Perfect for cleaning equipment, such as: computers, keyboards, printers, radios, televisions, video recorders, copiers, office equipment, film cameras, machines, car parts, etc.

INSTRUCTIONS FOR USE

- Apply with the can in a fully vertical position.
- Do not apply on connected equipment and use in well-ventilated areas.
- Ask for safety data sheets.
